Job Scope:

Interior Improvements to Morton Building

Demolition & utility preparation

Material and labor required to remove paneling, drop ceilings, carpet, and glue residue from concrete floors in preparation for remodeling. Material and labor required to run water, sewer, and hvac lines to their appropriate locations. This also includes installing a 2.5 ton, all electric, hvac unit with condenser. Note: all work is confined to the interior of the dwelling, any outside work to bring service to the building is not included in this bid.

Walls and ceilings

Material and labor required to extend walls vertically to the bottom of the existing trusses (approx. 9.5'), install ceiling support trusses with a 6x6 support beam running down center of the span. Note: this will require a support column (see drawing). After installation of substructures, log cabin style, 2x8 lap panels will be installed on all walls except backsplash areas around cabinets, and interlocking wood panels (flat) will be installed on the ceilings. Note: we are assuming that the walls have insulation in them already, and all wood panels will be prestained and varnished at our facility to minimize lingureing odors.

Bathroom and Kitchen

Material and labor required to frame out bathroom and install toilet, shower (all tile with glass front and door), sink and vanity. Install kitchen cabinets complete with user supplied appliances. Granite countertops (level 1) in bath and kitchen, undermount sinks and hardware included throughout. Backsplash areas to be tiled. Colors throughout to be determined prior to installation.

Floors and misc.

All floors to be tiled with builder grade flooring. It is assumed that the concrete floors are straight and level enough for this type of application. Subflooring will run an additional \$3,500 if it is needed. This quote allows for the addition of 3 windows (please see drawing). New lighting fixtures will be needed, there is a \$500.00 allowance for this built into this quote. This quote is turnkey but requires that the customer provide sewer and water to the inside of the facility, appliances in the kitchen, and a washer and dryer to be installed in the bathroom. Please see the photos of items being proposed for use.

\$57,418.00

Bedroom and closet additions

Material and labor required to add one bedroom with walk-in closet and one guest / utility closet. Bedroom walls will be of log-type siding (same as the rest of the dwelling, and closet walls will be cedar lined (aromatic). One extra fan will be installed in the bedroom along with 3 additional receptacles. Room and closets, as with the rest of the home, will include trim around doors, windows, and baseboard. Closets will be equipped with bi-fold doors facing the bunk area and an oversized interior door for the utility portion of the closet (facing the entry door). This add-on increased the log-type and cedar type wall coverings by approx. 1450 ft². This add-on price also includes converting HVAC and stove to gas, with all interior connections included. As with the rest of the utilities, the gas service must be brought to the building. Because of

TAX STATEMENT

INSTRUCTIONS FOR FILING AN EQUALIZATION APPEAL

(In Counties without Hearing Officer Panels)

If you disagree with the results of your meeting with the County Appraiser, you have **30 days** from the mailing date of this notification within which to file an appeal, with either the regular division or the small claims and expedited hearings division (referred to as “small claims”) of the Court of Tax Appeals. Effective July 1, 2000, **all single-family residential property appeals are required to be filed with the Small Claims Division**, unless the property is devoted to agricultural use. See below.

YOU MUST FILE WITH THE COUNTY CLERK & THE COUNTY APPRAISER A COPY OF ANY APPEAL YOU FILE WITH THE STATE COURT OF TAX APPEALS.

Your appeal to the State Court of Tax Appeals must include the following:

- a. This original notification of results form completed at the bottom of both sides.
- b. A copy of an Entry of Appearance or current Declaration of Representative form, if you are to be represented by an attorney or other individual.
- c. The applicable filing fee (s) required by K.A.R. 94-2-21. Checks or money orders should be made payable to the Court of Tax Appeals. For information regarding filing fees with the State Court of Tax Appeals, visit www.kansas.gov/cota or contact the Court at (785) 296-2388. The county appraiser’s office also has fee schedules available.

If the above documentation is not received by the State Court of Tax Appeals **within the required time frame**, your appeal will be **dismissed**.

The State Court of Tax Appeals will notify you and the county of the date and time for hearing of this appeal.

IF YOU APPEAL TO EITHER THE SMALL CLAIMS DIVISION OR REGULAR DIVISION OF THE STATE COURT OF TAX APPEALS, SUBMIT ALL REQUIRED DOCUMENTATION TO:

BOARD OF TAX APPEALS

Eisenhower State Office Building

10th Floor, Suite 1022

700 SW Harrison

Topeka, Kansas 66603

Tele. (785) 296-2388 Fax No. (785) 296-6690

Please check the correct appeal level either Small Claims or Regular Division:

 SMALL CLAIMS DIVISION-Effective July 1, 2000, owners of single-family residential property must file with the Small Claims Division. Small Claims cases are heard by one hearing officer and your hearing will be held in the county where the property is located, or in an adjacent county. If you are not satisfied with the decision of the Small Claims hearing officer, you may appeal that decision to the Regular Division of the Court of Tax Appeals.

 Check here if you prefer to have your Small Claims appeal by telephone

Owners of other types of property that meet certain statutory requirements may choose to file with the Small Claims Division. You may elect to file your appeal with the Small Claims Division **ONLY** if the property is valued by the county at less than \$2,000,000 and is not classified as agricultural use. The Small Claims Division does not have the statutory authority to hear appeals on property devoted to agricultural use.

 REGULAR DIVISION OF THE COURT OF TAX APPEALS-If you file with the regular division, your appeal may then be heard in your geographical area or it may be heard in the Court’s hearing rooms in Topeka. One or more of the three judges of the Court will hear your appeal.

You **must** file with the Regular Division of the Court of Tax Appeals if:

1. The property which is the subject of this appeal is classified as “agricultural use” property; or
2. The property that is the subject of this appeal is not single-family residential property and is valued by the county at \$2,000,000 or more.
