RESIDENTIAL SUMMARY SHEET

RESIDENTIAL SUMMARY SHEET

Historic Farm House Information

E.B. Johnson and his newlywed wife Mollie Graham Johnson built the house located on Auction Tract 8 in the late 19th Century. E.B. was the first son of Montford T. Johnson, the famous cattle rancher, pioneer and businessman who built an empire in the mid to late 1800's and is the main character of the book and motion picture "The Chickasaw Rancher". E.B. and Mollie raised their family in the house and operated this farm along with other holdings of the family in the area. Following the death of his father in 1896, E.B. took over all of his father's business ventures and helped raise his brothers and sisters who were still very young at the time. E.B. became very successful himself and after his death on Christmas Day, 1935 the farm has been passed through generations of the Johnson family until today. Many of the features of the original house are still present today, and other aspects of the house have been modernized over time.
