Hi Matt,

Per our conversation earlier, I have attached a copy of our Right-of-Ways for the two roads you requested; 525 W. has a ROW of 60' (30' from center of road, on each side); I275 S. has a ROW of 40' at that location (20' from center of road, on each side). If you have any more questions , please let me know.

Have a Great day!

Thank You,

Sharon
