Looking for a "Show Place" or the next successful development in the Stillwater community? The Adams Family has owned this exceptional property since 1946 and the time has come to pass the acreage on to the next generation of ownership. Buyers will have the opportunity to submit bids on any of the excellent individual tracts offered, as well as bid on any combination of tracts that fit your needs! See individual tract descriptions for more details on each.

**TRACT 1: 4.5± acres** premier building site located at the intersection of Lakeview Rd and Brush Creek Rd. Tract includes large, mature pecan trees, mixed cedar and a balance of open space blending together to make an excellent setting.

**TRACT 2: 4.5± acres** located along Lakeview Rd, excellent topography and views of the landscape to the south.

**TRACT 3: 4.5± acres** located along Lakeview Rd, another potential building site with paved road access!

**TRACT 4: 46.5± acres** located along Lakeview Rd, outstanding combination of open pasture and mature trees. Two ponds are included on the tract and the back field could make an outstanding hay meadow if desired. Plenty of room to tuck your dream home far from the road, by one of the ponds!

**TRACT 5: 5± acres** located along Brush Creek Rd, level topography with a wonderful view of the surrounding land.

**TRACT 6: 5± acres** of mostly open land and a mixture of nice trees along the center of the property!

**TRACT 7: 8± acres** located along Brush Creek Rd with an outstanding mixture of open land and mature timber along the creek that dissects this parcel. Plenty of space to tuck your home away from the view any passerby, perhaps near the pond located in the center of the tract.

**TRACT 8: 10± acres** located along Brush Creek Rd with an excellent buffer of massive trees along the frontage and an open field on the back side of this piece; the combination makes a terrific potential building site.

**TRACT 9: 10± acres** located along Brush Creek Rd, another excellent potential building site with level topography and views for days.

**TRACT 10: 40± acres** that is a premier tract in the auction, includes the outstanding hay meadow along the back half of the property. The tract is dissected by a creek, lined with massive pecan trees and scattered oaks. This is a really beautiful piece of land!
